## PROJECTS

### KnightFall
https://github.com/AndreTheTallGuy/KnightFall | https://lit-woodland-52997.herokuapp.com/

- A five person team with a TA as project manager creating a story based RPG. This game has a sign in, character select, and randomized cast of villains.
- Responsible for the front-end including logic, graphics, design and working with the back-end team on routes and the database.
- React, HTML/CSS, Javascript, Passport, Axios, MongoDB, Express, etc

### My Dream Garage
https://github.com/AndreTheTallGuy/My-Garage | https://limitless-sands-05500.herokuapp.com

- A three person project creaing a website where the user can create a virtual garage of their favorite cars. Car info is pulled from an API and user selected cars are stored in a database and then displayed using a UUID.
- Responsible for the front-end including animations, design, and working with the UUID and database.
- HTML/CSS, Javascript, Node.js, Express, MongoDB/mongoose, Local Storage

## EXPERIENCE

**Program Leader**
**Rustic Pathways, Thailand**
*Part of a small team guiding students through work on the largest elephant sanctuary in Thailand.*

- Helped students learn elephant husbandry and the mahout (elephant keeper) lifestyle
- Achieved daily tasks and expected work duties with a positive and enthusiastic attitude.

**Assistant Manager**
**Rocktown Adventures, Aurora**
*Managed a small kayak rental and outfitter company in the suburbs of Chicago.*

- Demonstrated effective leadership skills in a fast paced environment. Skilled at organizing complex projects and delegating tasks.

**Veterinary Technician**
**Banfield, Chicago**
*Assisted in providing professional veterinary services, and worked as a team to create a positive and inclusive environment.*

- Utilized excellent communication skills to interact with a diverse client base.
- Earned client satisfaction by building rapport, problem solving, active listening and resolving concerns.
